

**REMARKS**

Claims 1 and 3 are allowed. By this Amendment, claim 1 is amended to reinstate subject matter previously deleted in the January 28, 2005 Amendment.

Entry of this amendment is needed for proper disclosure and protection of the invention. No substantial amount of additional work is required on the part of the Office because the amendment does not effect the Examiner's Reasons For Allowance stated in the January 17, 2006 Notice of Allowance. Accordingly, entry of the amendment to claim 1 is proper.

For the reasons set forth above, Applicants respectfully submit that this application remains in condition for allowance. Favorable consideration and prompt entry of the above amendment of claim 1 is earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
